

## **A FAREWELL TO THE SINGLE CONVENTION**

**Thursday 24 March 2011  
18.30**

**In front of Gate I at the entrance to VIC**

We need to inform you that, after a long and intense struggle with reality, the UN Single Convention on Narcotic Drugs, born in 1961, has ceased to be relevant to the world's efforts to address drug related issues.

In view of its addictive power over politicians and the damage that has been done by this Convention, its departure does not come one day too early.

For those of you who do not share this view, we invite you to take a serious look at the evidence.

**We invite you to a solemn farewell ceremony.**
